

At Champion, we believe in giving back by making a positive contribution to the communities in which we do business. One of the main ways we do that is through our **Champion Cares Foundation**, the mission of which is to support people within the community who are in need with the help of our business relationships, residents and team members.

MONEY RAISED IN 2021

The Champion Cares Foundation distributed **over \$640,000** to our partner organizations in 2021.

This was made possible through donations from outside organizations, Champion team members and our residents, through our Round Up Your Rent Program. The Round Up Your Rent Program allows residents to round up their rent \$1 per month with Champion matching dollar-for-dollar.
